**Petition for Waiver of  
FCC Form 471 Filing Deadline for Funding Year 2018  
RE: FCC Form 471 181042146**

---

**I. INTRODUCTION AND SUMMARY**

The Community School For Creative Education (“CSCE”) is a small charter school serving approximately 200 students in the urban area of Oakland, California. This is our first year participating in the E-rate program, which has helped our small school cross the digital divide by giving us access to high speed internet access.

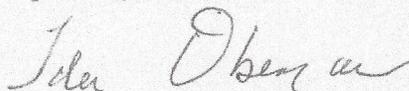

CSCE submitted and certified the Funding Year 2017 FCC Form 471, #181042146, in the E-rate Productivity Center (EPC) portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”) website, on March 30, 2019. This delayed filing was created by many factors that were beyond our control. One contributing factor was that I was unable to access my EPC account on February 22, 2018, and the Client Service Bureau

closed at 4:00 p.m. PST. I had no choice but to wait until the next day to submit the Form 470. This meant that my subsequent Form 471 would also be late.

**II. Request**

CSCE respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline to allow the Out of Window submission of our E-Rate Funding Year 2018 FCC Form 471 #181042146, due to unintentional lateness of the application.

Respectfully submitted,
